

24 March 1967

MEMORANDUM FOR: Director of Research and Reports

FROM: Acting Chief, [REDACTED]

25X1A □9r

SUBJECT: Material for Budget Briefing

1. An informal telephonic request was received on 23 March from OPPB for photographs of the Soviet 140mm rockets captured in Vietnam. These photographs were requested for possible use at the Director's briefing of a Congressional committee on the budget next week. The following material was delivered to OPPB the same day by this Staff:

25X1B

a. Two copies each of 10 photographs, including one overall shot of the rocket and 9 close-up showing [REDACTED] various parts of the rockets;

25X1B

25X1B

b. Two photographs of an English-language Soviet diagram of a typical 140mm rocket [REDACTED]

25X1A

2. For your information, the photographs forwarded to OPPB were the result of [REDACTED]
